Work History

DrChrono (Remote)

February 2020 to November 2023

Software Engineer

Added features and fixed bugs using Python, Django, TypeScript and React.

Implemented prior authorization which allows providers to ask a patient's insurance if they will pay for a prescription.

Took ownership of the lab functionality, responded to incidents and had meetings with partners like Quest.

Built two-factor authentication for prescribing controlled substances using ID.me.

Implemented a workflow that allows pharmacies to request changes for a prescription.

UTSA Coding Bootcamp (San Antonio)

January 2020 to June 2020

Teaching Assistant

Helped students learn JavaScript, Node.js and React.

Graded homework and gave feedback on projects.

Legalist (Remote)

April 2019 to September 2019

Junior Software Developer

Gathered data about new lawsuits using Python, Django and Selenium.

Integrated with the 2Captcha API to solve captcha challenges.

Dreamers Inc. (Remote)

December 2017 to March 2019

Full Stack Web Developer

Built projects for clients using Python, Django and React.

N-Compass TV (San Antonio)

August 2014 to December 2017

System Administrator

Created web applications using Python and JavaScript to display news, weather and sports information in businesses.

Installed software on Windows and Linux computers.

Visited local businesses to install computers and displays used to display advertisements.

Armando Montelongo (San Antonio)

June 2014 to August 2014

Web Development Intern

Used PHP and JavaScript to build an event management project.

Education

Hashicorp

November 2021 to November 2023

Certified Terraform Associate

Gained knowledge and experience with Infrastructure as Code using AWS, GCP and Azure.

Got practical experience making changes to the Terraform configuration of an electronic health record.

University of Texas at San Antonio

August 2014 to December 2017

Non-graduate

Took an intro to electrical engineering class.

Board member of the UTSA eSports Association where I ran Super Smash Brothers Melee tournaments and helped with fundraising.
